## DIRECTIONS FOR USE:

This product should be used on the basis of a soil and/or tissue analysis in accordance with recommendations of a qualified individual or institution such as a certified crop advisor, agronomist, university crop extension publication or apply according to recommendations in your approved nutrient management plan. Do not mix with other fertilizers/chemicals without conducting a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour.

**KEEP AWAY FROM CHILDREN AND ANIMALS.**

## CAUTION:

**Handling:** This product is stable, nonflammable and non-explosive. No special storage precautions are required. If spillage occurs, recover and reuse. For disposal contact the proper governmental agency in any country except Canada (contact the Provincial Department of Environment).

**Precaution:** Avoid inhalation and ingestion. Use eye protection and dust respirator, full body clothing and gloves when handling. Prolonged contact may cause irritation of eyes, nasal passages and skin.

**First Aid:** If eye contact occurs, flush eyes with copious amounts of water immediately. If skin irritation occurs, wash with soap and water. In either case, if irritation continues, seek medical attention. If ingestion occurs, get medical attention.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use of this product and accepts the product on that condition. The Manufacturer makes no warranty, express or implied concerning this product or its use.
